

Loafing Shed

Herrick Archives Building 221

This is a sheet metal building on a wood frame. It is 40 ft. wide and 96 ft. long, and is open on the east.

The Jay Car Construction Co. supplied and erected the building under a purchase order dated March 20, 1986. The building was completed in May 1986.

The building is designed for housing cattle.

The building is shown in Photographs X 30170 and X 30171.

The location of the building is shown in the sketch below. The address is 2467 Carmack Rd.
